Field Day

From the Principal. . .

Dear Parents,

As we begin the fourth quarter, we are excited for many upcoming events! Please check the dates carefully and make note of them. We know they will be enjoyed by our students!

In addition, third quarter report cards will be coming home on April 22nd. Please be on the look out for them next Friday. This is a good time to review the report card with your child and set goals with him/her to finish the year "strong!" Please contact your child's teachers with any questions or concerns.

Sincerely,

Michelle M. Leader

Principal

School News

Field Day Is Coming!

When: Friday May 6, 2016

What if it rains? Our rain date is Friday June 3, 2016

Why: Volunteers are needed to help students participate safely and successfully in many sport and activity stations.

Two ways to sign up:

1. Sign up online www.SignUpGenius.com/go/10C0445AFAB2DABF58-2016
2. Return this paper with the section below filled out. Please indicate if you can volunteer on the rain date if we need to use that date.

Training for Parent Volunteers

In order to create a consistent process for training parent volunteers on issues of confidentiality, HCPSS has developed a brief training module and certificate of completion. Both the module and certificate are located at www.hcpss.org or by going to the Phelps Luck website at ples.hcpss.org. Once you have completed the training, please submit your certificate of completion to the front office before registering as a volunteer. Parents must also do this in order to chaperone field trips. Thank you for your assistance!

IMPORTANT REMINDER

If you have moved or plan on moving, please notify the office of your new address. You will need to bring your new lease/deed and a current utility bill to the office in order for you to receive mailing and for your child's record to be changed.

Kangaroo Kids

Jump into Spring with Kangaroo Kids. This sport quickly improves fitness levels, builds self-esteem, and – most importantly – demonstrates that exercise can be fun and enjoyable! Jumping rope is effective, easy to learn, inexpensive, portable, great for any age, and the most fun you can have on two feet. For information, contact Howard County Recreation and Parks on 410-313-7275 or at www.howardcounty.gov/rap.
