

PLES 2019-2020 FAMILY EVENT CALENDAR

September/October	November/December	January/February	March/April	May/June
<p><u>Back to School Nights & Title I Annual Meeting</u> Sept. 16 @ 6:30: 1st & 2nd gr. Sept. 18: @ 6:00 GT 6:30 - 3rd, 4th, & 5th grades Come to PLES to meet your child's teachers and the rest of the PLES staff. Learn about school and class routines, get support with filling out forms and visit your child's classroom. Title I information compacts, and policies will also be shared.</p> <p><u>ESOL New Family Night</u> (October 16, 2019) ESOL Information Night is a night when families new to the ESOL program at Phelps Luck can come to learn about the program. The ESOL Team gives a presentation that explains how the program works, how a student is eligible for ESOL, how a student gets released from the ESOL program, what their child is doing and learning in the program, and they also get to know the staff members of the ESOL Team.</p>	<p><u>LOOK OUT FOR</u></p> <p><u>1st Gr. Math & Reading Night</u> Engage with first grade teachers to learn Math and Reading strategies to help support your child.</p> <p><u>Pre K /Kindergarten General Info. Night</u></p> <p><u>3rd Gr. Basic Fact Night</u> (Nov. 12th, 2019) Basic Fact Night will give families an opportunity to engage with your 3rd grade child using games, and strategies that will reinforce basic fact fluency.</p> <p>Look out for invitations to other programs that are in the works!</p>	<p><u>LOOK OUT FOR</u></p> <p><u>4th Grade STEM Night</u> The families will rotate to three different stations to complete three different activities. The goal is that parents and students would work together using respectful language, and a growth mindset. It will also provide students with parental models on how to persevere through challenges and models of how to think "outside the box" in order to problem solve. Date TBD</p> <p><u>4th Grade Alternative Algorithm Night</u> Students and parents will learn non traditional strategies taught by classroom teachers to solve multiplication and division computation. Date TBD</p> 	<p><u>LOOK OUT FOR</u></p> <p><u>Pre-K Learning Party</u> A collaborative event to learn how to engage your pre K child at home and extend learning in mathematics.</p> <p><u>ESOL Library Night</u> ESOL Library Night is a night when the families with students in our ESOL program visit the East Columbia Branch of the Howard County Library. We collaborate with the library staff to have a tour of the library to learn about the different materials and resources available. Families will also learn about the various programming and classes the library offers. We also fill out library card forms before the event, so they are available for our families to use to check out resources.</p>	<p><u>LOOK OUT FOR</u></p> <p><u>Middle School Transition Night</u> Come out to Phelps Luck to meet teachers from Bonnie Branch Middle School! Families will learn about the content students will learn in Math and ELA. Teachers will discuss expectations and answer questions from families. Date TBD</p> <p><u>Enrichment/Science Fair:</u> You will be able to see projects and talk to the students who have participated in various school activities, including G/T seminars and CEU's. Please contact Mrs. Fleck or Mrs. Ricketts if you have any questions. We look forward to seeing you there! Date TBD</p>
