## Hoops for Hearts

Dear Parent/Guardian,  
It's time for Hoops For Heart, the American Heart Association program that teaches valuable lessons that will last a lifetime, such as:

- the importance of taking care of their heart and how it works.
- the importance of helping others through this service learning project.
- feeling good for making a difference in people's lives!
- 

Funds raised support the American Heart Association's research and education initiatives that save lives in our community. Additionally, the school earns money for PE equipment so we can keep our kids MOVING!
