Meet the Teachers!

Gwyn Pettit 4th Grade ITL	Esther Jo 4th Grade Teacher	Kristina-Maria Perona 4th Grade Teacher
Jessica Kempner 4th Grade Teacher	Kendra Thomas 4th Grade Teacher	Shannon Spence 4th Grade Paraeducator
Jen Lebro ESOL Teacher	Keri Golibart ESOL Teacher	Kaleigh Thomas Special Education Teacher
David Hodgkinson ESOL Intern	Chunlian Valchar ESOL Intern	Jermaine Brown Special Education Paraeducator

Daily Schedule

- 8:40-9:00 Arrival and Breakfast
- 9:00-9:15 Community Circle
- 9:15-10:30 Math
- 10:30-11:15 Content
- 11:15-12:15 Related Arts
- 12:15- 1:00 Writing
- 1:00- 1:15 Whole Group Reading
- 1:15-2:15 Lunch & Recess
- 2:15-3:20 Small Group Reading
- 3:20-3:40 Pack up and Dismissal

← Snack Time!

Communication

Please contact if...

**changing your student's
dismissal routine**

**questions or concerns
about your child**

Check Class Dojo for important events and messages from the school and teacher.

Absent Student ?

Send message to your
child's teacher AND
email

plesabsence@hcpss.org

Using Canvas

- There have been some updates to Canvas this year. For more information, you may check out the [student orientation video](#).
- On Canvas, you will be able to...
 - View content areas and progressions for what your student will learn this year
 - Access your student's grades
 - Use the calendar to highlight important dates
 - Receive information about your student's current areas of study and important information

Fabulous Falcons

PBIS @ PLES

Respect Self
Respect Others
Respect Property

How can parents support positive behavior and PBIS at home?

- Talk with your child about what it means to respect self, others and property at home.

- Focus on the positive things that your child does at home and talk about why these behaviors are important to you.

- Support teachers' efforts in the classroom with management of the PBIS program if needed.

Let's Talk ClassDojo!

This year, we're using ClassDojo to build our classroom community

We'll build a **positive culture** where students are engaged, encouraged, and love learning!

All parents are part of our classroom community, seeing what we're learning every day.

What do parents see?

You'll see the Story of our classroom:

- Photos and videos from class
- Important updates and announcements
- Private messaging between the two of us
- Translate any message or Class Story post into your preferred language!

Ask your student's teacher about how to get connected if you aren't already!

Materials for School

Water Bottle

Having a water bottle makes it easy for students to get a drink quickly without missing instruction.

Headphones (Recommended)

We will be using computers in school this year for daily activities and testing. If you have a set of headphones for your child to use, it would be great if they brought them.

Staying Safe

- In order to create a safe learning environment with and for our students, we need to work as a team. Ways to help:
 - Do not send a sick child to school
 - Encourage your student to wash their hands frequently

Math

Common Core State Standards guide math instruction in 4th grade. See the Family & Community Resources page on Canvas for more specific information.

Focus Topics

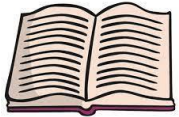

- Whole Numbers 
- Fractions
- Multiplication and Division 
- Decimals
- Measurement & Data 
- Patterns 
- Geometry

Assessing Understanding

- Classwork activities
- Cooperative tasks
- Performance assessments
- Math journal
- Anecdotal Notes/Observations

English Language Arts (ELA)

Common Core State Standards guide ELA instruction in 4th grade. See the Family & Community Resources page on Canvas for more specific information.

Reading

Children who are solid readers:

- perform better in school
- have a healthy self-image
- become lifelong learners

All of the these outcomes lead to our children's viability in a competitive world.

Writing

Three main units in writing:

- Personal Narrative
- Opinion Writing
- Informational Writing

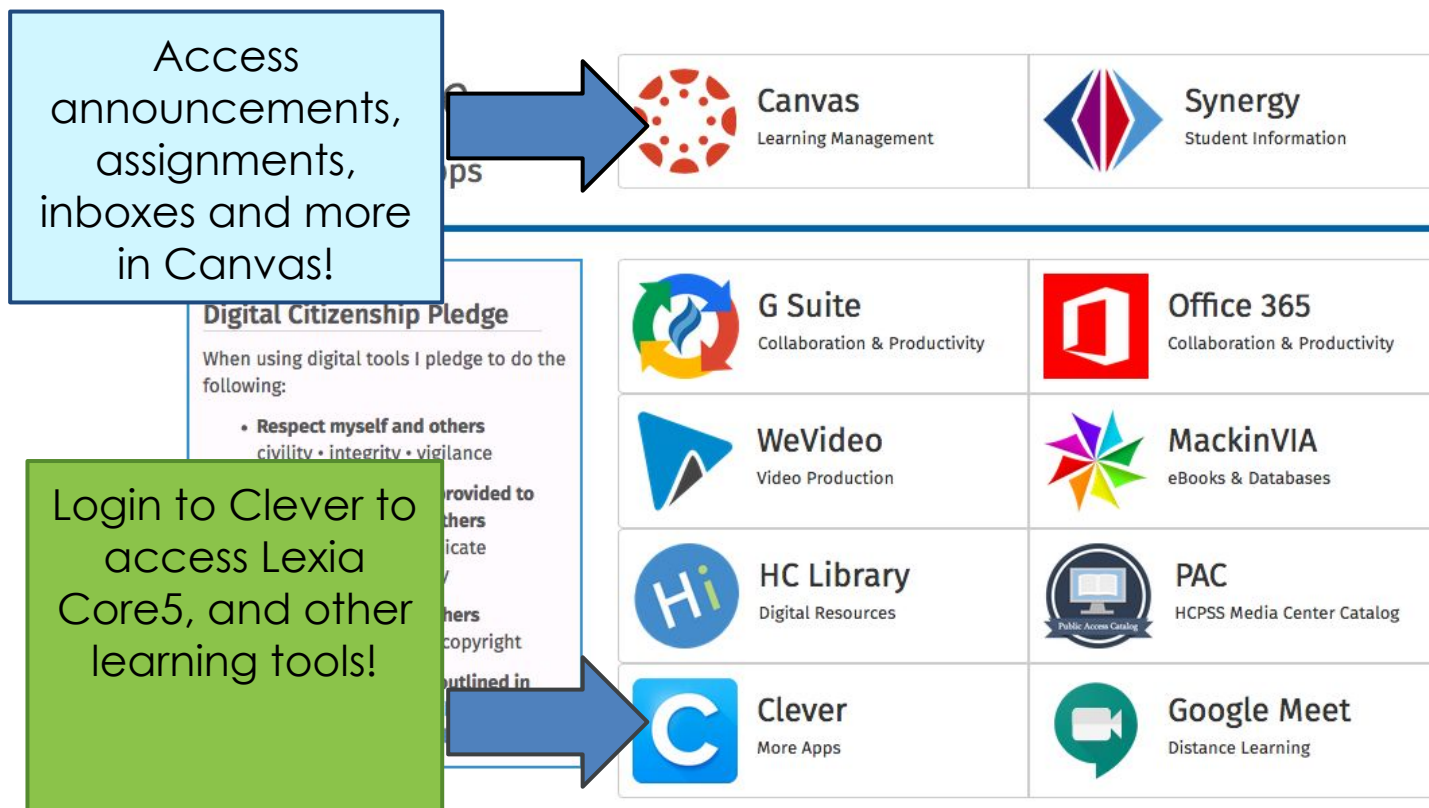

Using 4th grade language standards!

Content

Social Studies	Health	Science
<p>The First People</p> <p>Early Settlements</p> <p>Colonial Economics</p> <p>Maryland in Business</p> 	<p>Emotional Health</p> <p>Violence Protection</p> <p>Personal Health</p> <p>Disease Prevention</p>	<p>Energy</p> <p>Waves</p> <p>Earth Systems: Shaping the Earth</p> <p>Structure, Function, and Information</p> 

Supporting Your Student

- Reading: Epic (during the day) & LexiaCore5
- Math: Practice Your Facts at Home

Grading & Report Cards

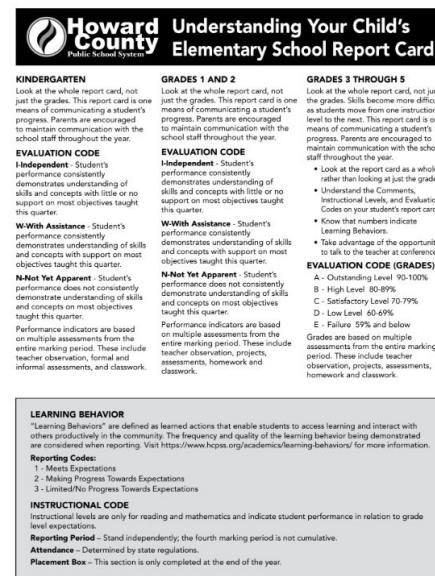

- Gradebook is located in Canvas
- Assignments will be graded in points
- Overall quarterly grades will be determined by percentage of points earned

parent guide

- Students are Graded On:
 - Reading
 - Writing (mechanics & spelling)
 - Math (concept & problem solving)
 - Science
 - Social Studies
 - Health

Homework

- not graded
- Reading: read 20 minutes and complete a BINGO task
- Math: worksheets assigned weekly by math teacher + practice multiplication and division facts

Name: _____ Month: _____

Reading Homework Directions
Read for 20 minutes and complete one of the tasks below!

BINGO

Read a book with a movie adaptation	Read an audiobook	Read a book that someone gave you	Read a book published this year	Book that you can finish in one day
Read wearing sunglasses	Read in bed	Read in a fort	Read while eating	Read in pajamas
