Attendance Matters

When children are not ill, it is extremely important to be present in school. Here's why:

- Starting in kindergarten, too many absences can cause children to fall behind in school.
- Missing 10%, or about 2 days each month over the course of a school year, can make it harder to learn to read.
- Students can still fall behind if they miss just 1 or 2 days every few weeks.
- Being late to school may lead to poor attendance. Absences and tardiness can affect the whole classroom if the teacher has to slow down learning to help children catch up.

Chronic Absentee Rate

11.7%

73 Students are considered Chronically Absent due to missing more than 10% of the school year to date.

Attendance Support

Our Student Support Team (SST) monitors attendance patterns and contacts families when attendance rates surpass 10%.

140 Students are being supported or monitored for attendance concerns.

The team's purpose is to connect students and families with resources and support. The ultimate goal is to enhance students' academic achievement and well-being.

What is DIBELS?

DIBELS® (Dynamic Indicators of Basic Early Literacy Skills) is a set of procedures and measures for assessing the acquisition of literacy skills. They are designed to be short (one-minute) fluency measures that can be used to regularly detect risk and monitor the development of early literacy and early reading skills in kindergarten through eighth grade.

What is the HCPSS Performance Benchmark?

The HCPSS Performance Benchmark is defined as: Students who score in the low to mid seventieth percentile to 99th percentile on MAP (Measure of Academic Progress). Students who meet the HCPSS Performance Benchmark are likely to earn a 4 or 5 on the state assessment, MCAP (Maryland Comprehensive Assessment Program).

What is MCAP?

The Maryland Comprehensive Assessment Program (MCAP) assessments of Maryland College and Career Ready Standards (MCCRS) will build a pathway to college and career readiness by the end of high school, mark students' progress toward this goal from grade 3 through high school, and provide teachers with timely information to inform instruction and provide student support.
