ABSENCES

To report a student absence, please email the following group email address: PLESabsence@hcpss.org. In your message, please include the student's first and last name, grade, teacher, why they were absent, and the days absent.

The school must receive a handwritten or emailed note from the parent or physician explaining the absence/tardiness of a student within two school days of the student's return, or the absence/tardiness will be unlawful/unexcused. When a doctor's certification for chronic illness has been required and not provided within two school days of the student's return, the absence/tardiness will be recorded as unlawful/unexcused until a doctor's certificate is provided.

For absences of up to 3 days per year, the principal may determine whether the absences will be lawful/excused or unlawful/unexcused. Complete the Discretionary Absence Form (found on PLES website under School Resources). Submit the form to PLESabsence@hcpss.org for the principal's approval.

For absences in excess of three days, the principal in consultation with the administrative directors, will determine if the absences will be lawful/excused or unlawful/unexcused. If the request is for 15 consecutive days or more, the written request should be submitted two weeks in advance.

Students with unlawful absences of 10 consecutive school days or more will be withdrawn from school and may be allowed to re-enroll, provided they meet enrollment requirements, upon their return. Students returning from lawful absences have an equal number of days to complete make-up work.

Reference HCPSS Attendance Policy 9010

See the Extended Absence Request Form on the School Resources page on the PLES website.

ARRIVAL

- Students may arrive starting at 8:25 a.m.
- Doors close at 8:38 a.m.
- Students should be in their classrooms by 8:40 a.m. when the tardy bell rings.
- All students must be escorted to the office (or vestibule/front doors) by an adult after 8:40 a.m.

ATTENDANCE

All students enrolled in HCPSS are expected to attend school regularly. Students absent for any reason should return to school with a note which explains the absence. Students presently enrolled in public schools who are lawfully absent from school may receive make-up work.

Absences for Non-Emergency Circumstances - A written request for such absences to be lawful/excused should be submitted in advance to the principal/designee. Such absences may not occur during exams or state-mandated testing periods unless authorized by the principal/designee. For absences of up to 3 days per year, the principal may determine whether the absences will be lawful/excused or unlawful/unexcused. For absences in excess of three days under this provision, the principal, in consultation with the administrative directors will determine if the absences will be lawful/excused or unlawful/unexcused.

Attendance letters are generated monthly to parents of students whose absenteeism or tardiness exceeds acceptable state guidelines. These notices are generated regardless of the coding (lawful or unlawful) of the absence.

B

BEFORE & AFTER CARE

The Columbia Association works with PLES to offer services Before and After School Care on-site (for elementary children). Please contact the Columbia Association for more information.

Phone: 410-715-3164 or Email: SAS@ColumbiaAssociation.org

BEING A READER™

Comprehensive K–2 Reading Instruction

Being a Reader™ provides comprehensive reading instruction, systematically developing both foundational skills and comprehension. This research-based program integrates rich literacy experiences with explicit social skills instruction and activities that foster students' growth as responsible, caring, and collaborative people.

Through an engaging combination of whole-class, small-group, and individualized instruction—including daily independent reading with teacher conferring—the Being a Reader program not only develops students' reading proficiency, but also their love for reading and talking about books.

Being a Reader is the stand-alone Tier 1 instruction for grades K–2.

BEING A WRITER®

Being a Writer™ is a proven, research-based writing curriculum for grades K–5.

Combining a writing process approach with guided instruction, Being a Writer™ is student-centered, rigorous writing instruction for students in grades K–5. The program's dual goals – fostering students' growth as capable, skilled writers and caring, respectful members of their classroom community – make Being a Writer unique among writing curricula.

BIRTHDAY CELEBRATIONS

Student birthdays are announced during the morning announcements. Students receive a birthday pencil and ribbon in recognition of their day. Bigger celebrations are encouraged outside of the school building. Class lists are not provided to parents for birthday invitations, and school staff do not participate in disseminating birthday party invitations. The School Directory is available in Family File to help families with birthday celebrations outside of school. Balloons, helium, or latex are not allowed in the school building.

BULLYING

All HCPSS schools and workplaces will follow established procedures for the prevention and intervention of bullying, cyberbullying, harassment, or intimidation. Students, employees, parents, and others engaging in bullying, cyberbullying, harassment or intimidation will be subject to disciplinary and/or legal action.

Incidences of bullying may be reported using a printed form available in each main school office, school counseling office, media center, and health services office or at <https://stopbullying.hcpss.org/>.

BUS SCHEDULES

Bus schedules can be accessed on the HCPSS Transportation website at:
<https://www.hcpss.org/schools/transportation/>

BUS TRANSPORTATION

HCPSS provides bus transportation for all elementary school students who live more than one mile from their assigned school. Transportation services are provided for certain students with disabilities depending on their special needs and school assignment.

Students are expected to be at their bus stop five minutes before the scheduled pick-up time to exercise safe behavior on school buses and to adhere to the following rules, which are posted on each bus:

- Follow directions from the driver the first time they are given
- Stay seated in your seat at all times while the bus is in motion.
- Keep all parts of your body inside the bus.
- Keep hands, feet, legs, arms, personal property and your voice to yourself.
- No eating, smoking, drinking, or vulgar language at any time on the bus.

Unsafe behavior on the bus may result in temporary or permanent loss of riding privileges.

Cameras are used on school buses. Video and audio recordings are used to assist in the investigation of complaints on school buses. For more information, please call 410-313-6732 or visit www.hcpss.org/schools/transportation/.

At the end of the day, bus riders will walk from their classroom, in line, to the bus. From there, they must follow the driver's directions while riding the bus. Students should know their bus number and where to get off the bus.

To whom do I speak regarding a bus concern? Parents may reach out to their child's school administrator to register a concern or ask a question.

C

CALENDAR OF EVENTS

Link our calendar of events with yours. Visit our school website at PLES.hcpss.org/calendar and click on the calendar to stay abreast of all school events.

CANVAS

Canvas is a web-based learning management system, or LMS. It is used by HCPSS to help manage course learning materials, including online course content. It is also used to communicate about skill development and learning achievement.

CAR RIDERS

At dismissal, the car-riding child(ren) will be met by a parent or daycare provider in the car loop. The car loop goes through the parking lot. Students should wait with PLES staff until the vehicle pulls to a stop. Students should only enter the car from the passenger side to avoid moving vehicles. Drivers should remain in the car. Please review "Dismissal Procedures" for directions. Please prepare children to buckle/unbuckle themselves and open/close doors themselves.

Please note: Please do not park along Old Stone Court or High Tor Hill when picking up your child. Please wait in the car loop line.

CELL PHONES, SMARTPHONES, & DEVICES

Students are permitted to have cell phones at school. Cell phones must be off and in backpacks during the school day. Students are responsible for their cell phones, and the school will not assume any responsibility for lost or stolen cell phones. Students are expected to use cell phones in a responsible manner when traveling to and from school.

Students with cell phones on and out of their backpacks during the school day will have their phones collected. Parents/guardians must pick up the cell phone in the office.

Other devices, such as smartwatches, are permitted, but not for texting, communicating, or internet searches.

COLORS

Our school colors are red and black!

COMMUNICATION

Please contact us at any time. You can do so by simply stopping in, by phone, (410) 313-6886 or by email,

- Principal: Edward Cosentino at edward_cosentino@hcpss.org
- Assistant Principal: Sandra McGraw at sandra_mcgraw@hcpss.org
- Assistant Principal: Jennifer Stairs at jennifer_stairs@hcpss.org

CONFERENCES

Formal Parent–Teacher Conferences occur following the 1st and 2nd marking periods. A parent may request a conference throughout the school year by contacting the teacher in advance and does not have to wait for the scheduled dates in the school calendar.

COUNSELOR

School counselors implement the Howard County Core Curriculum for School Counseling, which includes goals and activities for all grade levels in the areas of academic, career and social/emotional development. School counselors work with school staff, parents, and other agencies in support of student achievement. School counselors also help students and their families cope with crisis events in their lives as they relate to academic achievement. Parents are encouraged to contact their child’s school counselor for assistance if their child is having trouble coping with school, family, or community issues. PLES’ school counselors are Andrea Stremmel (full-time) and Christina Salapata (part-time). Their email addresses are: andrea_stremmel@hcpss.org and christina_salapata@hcpss.org.

D

DIBLES®

DIBELS ® (Dynamic Indicators of Basic Early Literacy Skills) is a set of procedures and measures for assessing the acquisition of literacy skills. They are designed to be short (one minute) fluency measures that can be used to regularly detect risk and monitor the development of early literacy and early reading skills in kindergarten through eighth grade.

DISCIPLINE

Discipline is progressive. Our first desire is to teach our students expected actions and behaviors. If consequences are necessary, students will receive either a Minor Incident Report (MIR) or a Disciplinary Office Referral.

DISMISSAL

We have a staggered dismissal due to our high number of students at PLES. Dismissal starts at 3:10 p.m.

The schedule is:

- 3:10 p.m. Car riders, walkers, and aftercare

- 3:12 p.m. Bus riders are staggered based on the arrival order of their bus.

DRESS CODE

Student dress and appearance must be consistent with the school system's responsibility to ensure that school environments are healthy, safe, and conducive to student learning. Please refer to HCPSS Dress Code Policy 9210. It is a violation of this policy for any student to wear attire that interferes with the educational mission of the school, is disruptive to the school environment, or could endanger the health or safety of that student or others during school hours and school activities.

As a result of the COVID-19 pandemic, students are permitted to wear personal protective equipment during school hours.

DROPPING OFF (after Arrival)

If you are dropping your child off in the mornings after 8:40 a.m. please park in a parking space and accompany your child inside the building to sign him/her in.

E

EARLY RELEASE OF A STUDENT

In order to minimize disruptions to the classroom, the early release of students should be limited to emergency situations and unavoidable circumstances. Parents are asked to avoid scheduling non-related school activities that conflict with or interfere with PLES's regular dismissal times. Students may not be released from the office after 3:10 p.m. Once dismissal starts, your child will depart as scheduled. For your child to be released to anyone other than the parent/guardian, that person MUST be listed on family file and present photo identification.

Any dismissal changes require WRITTEN NOTIFICATION to the teacher or front office by 12:00p.m. of the impacted day. Phone calls to the front office may be accepted in case of an emergency. Please remember that teachers may be unable to check e-mails during the school day. Everyone's cooperation in this regard is important to ensure safe and smooth school operations.

EMERGENCY PREPAREDNESS

How will my child's school handle an emergency situation?

All Howard County Public Schools have a multi-hazard emergency plan. The specifics of each plan differ for each school site. The response to each incident will differ based on the specifics of that particular incident. The flexibility of the plan is key to the success of the response. In general, each plan includes the incident command system; development of evacuation,

shelter-in-place, and lockdown procedures; an Incident Command Kit that contains key information and supplies; designation of two or more appropriate evacuation sites; provisions for training personnel and updating the plan; and response actions for specific types of incidents. All school plans are reviewed on a yearly basis. Additional information on specific procedure details may be obtained by clicking on the following link. <https://www.hcpss.org/safety/>

ENROLLING A NEW STUDENT

Follow this link for information on how to enroll a student: <http://www.hcpss.org/enroll/>

F

FALCON FLIER

The Falcon Flier is the weekly school newsletter. It is published using www.smore.com. An email from the school will be issued every Friday morning at 7:00 a.m.

FAMILY FILE THROUGH HCPSS CONNECT

Family File is essentially your child's emergency procedure information file. Information from this file helps us stay connected to you during the school day or in the case of an emergency. Be sure to opt for text messages (text YES to 67587) as well so that you are always "in the know." Fill out your emergency procedure information via HCPSS Connect on the HCPSS website for more information. Family File is required to be reviewed annually and whenever there is a change in any information provided in the Family File. That especially includes phone numbers, email addresses, and medical information.

FIELD TRIPS

Information on field trips will be sent home with students as we plan for field trips. A child may not accompany his/her class unless a parent has given written permission.

Field trip fees can be paid by check (made out to PLES), cash, or online. Online payments for field trips are accepted using Visa and Mastercard. There is a 4% convenience fee charged by the company that processes the payment. If paying online, please visit the main page of the PLES Website. Look for Essential Applications and Online Payments (lower left side).

FOLDERS

On Thursdays, your child will bring home important papers and any completed work for your review. Please look out for this very important means of communication.

G

GUESTS

You are welcome to visit your child's classroom. Per HCEA Negotiated Master Agreement, Article 10, Section I, visitors must have administrator approval after coordinating a date and time with the teacher.

H

HEALTH ROOM INFORMATION

Any medication, including prescription and over-the-counter medication like Tylenol, allergy medicine, and cold medicine, must be accompanied by a medication order signed by a doctor. Parents must deliver any medication to the health room because children cannot bring drugs or medicines onto school premises. You may drop off medication at any time during regular office hours. We have ice and bandages if a student comes to the health room when feeling ill. If your child needs more, we will certainly give you a call. We also call home for every head bump.

You might want to pack an extra set of clothes in the backpack and let your child know how to access them in case he/she has an accident in school. Accidents are not uncommon during the first weeks of school. Sometimes learning is so exciting that younger students especially, just forget to go to the restroom until it's too late. One thing parents can do to help is make sure that kids can easily and independently get in and out of clothing. Sometimes the cute new outfits are a bit tricky.

HISPANIC LIAISON

The Hispanic Achievement Liaisons are assigned to one or more specific schools. Under the guidance of the Hispanic Achievement Specialist, they collaborate with students, staff, families, and community members to accelerate the academic achievement of all Hispanic students.

HISTORY

The neighborhood of Phelps Luck is named for the land grant, Phelps His Luck, patented to Walter Phelps in 1695

HOMEROOM CLASS PLACEMENTS

The development of class lists is a very challenging endeavor. Each year we work hard to establish classes that are balanced, considering student gender, academic levels, and behaviors.

Some classroom adjustments may occur after the beginning of the year due to student growth. We promise to ensure that each child is appropriately challenged.

HOMework

Homework should be an independent activity, one where your child shows what understanding he/she has of the skills taught. If your child has difficulty completing such assignments, please let your teacher know.

I

IEP GOALS

The Individualized Educational Plan (IEP) is a plan or program developed to ensure that a child who has a disability identified under the law and is attending an elementary or secondary educational institution receives specialized instruction and related services.

We work on these goals daily to help our students succeed at their goals. If you have questions or concerns regarding specialized education for your child, please do not hesitate to contact edward_cosentino@hcpss.org.

ILLNESS

If your child has a fever, he/she may return to school 24 hours after being fever free without medication. If your child vomits, please contact the school nurse prior to returning to school.

INDEPENDENCE

This is a goal for all students. We encourage them to do as much as possible while at school.

J

K

KNOWING HOW TO CONTACT YOUR CHILD'S TEACHER

Teachers may be contacted by email or by phone. Teachers' emails are on our website under "Our Staff." Please refrain from extended or lengthy emails. When email becomes lengthy, it often is best to communicate by phone or in person.

You can also contact the teacher by phone by leaving a message with our front office at (410) 313-6886. Please allow 24-48 hours for the teacher to respond to email. Teachers may not have access to their emails during the school day. If you need a timelier response, please leave a message with the office.

In addition, teachers use the app, ClassDojo to help communicate information between home and school. Teachers explain how they use ClassDojo during Back-to-School Nights.

L

LUNCH

Lunchtime is scheduled for 30 minutes. If you want to eat with your child, please sign in at the office and obtain a visitor sticker before proceeding to the cafeteria.

M

MASCOT

Our school mascot is the Falcon. His name is Freddy Falcon.

MEALS

Can my child eat breakfast at school? Lunch and breakfast are available to all students at all schools. Each meal is nutritionally balanced, following USDA regulations and Institute of Medicine (IOM) Standards. A nominal fee of \$2.00 is charged for breakfast and \$2.75 for lunch.

How do I pay for school meals?

Parents may pay cash daily or choose to prepay for student meals by setting up an online account at <https://www.myschoolbucks.com/>. There is a \$2.25 processing fee for each transaction. Each transaction can be up to \$120.00 in total.

Free and Reduced Meals

Students from households that meet federal income guidelines are eligible for free or reduced-price meals. To apply, families should complete the application sent home on the first day of school, sign it, and return it to the school, or mail it to the Food and Nutrition Service Office (address on application), or parents can apply online at <http://www.myschoolapps.com>.

School lunch menus, nutrition information and additional information about the program are available at www.hcpss.org/foodservice. Contact the Food and Nutrition Service Office at 410-313-6738.

MAP - MEASURES OF ACADEMIC PROGRESS

(MAP) assessments are computer adaptive achievement tests in Mathematics and Reading.

How will teachers use this information?

Teachers use a variety of tools including formative assessments, state and local assessments, and MAP data to monitor students' progress and link students to appropriate interventions and enrichment. The MAP reports provide teachers with additional pieces of information regarding student's instructional strengths and needs. Teachers will use this information to help guide instruction in the classroom and create flexible groupings to better differentiate lessons based on content. Teachers can also engage in goal setting with students using MAP information and other performance information available in the classroom.

MCAP – MARYLAND COMPREHENSIVE ASSESSMENT PROGRAM

The Maryland Comprehensive Assessment Program (MCAP) assessments of Maryland College and Career Ready Standards (MCCRS) will build a pathway to college and career readiness by the end of high school, mark students' progress toward this goal from grade 3 through high school, and provide teachers with timely information to inform instruction and provide student support.

N

NEWSLETTERS

Our newsletter, The Falcon Flier, is published electronically each Friday using a web-based newsletter program called Smore. The newsletter is sent to the parent/guardian by e-mail at 7:00 a.m. each Friday. It is also available on our website <http://ples.hcpss.org/>, Twitter, and Facebook. If you ever miss a newsletter, we archive the volume for the year on our website.

O

OFFICE

Our office can assist you in many different ways! (410) 313-6886. Office hours are 7:45 a.m. – 4:15 p.m.

P

PARKING

Please park in an available parking spot in our visitor's parking lot. Please do not park along Old Stone Court.

Parking is not permitted in front of the building between the following times due to bus access:

- Mornings: 8:00 a.m. – 9:00 a.m.
- Afternoons: 2:45 p.m. – 3:45 p.m.

PBIS – POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS

PBIS is a research-based behavior system that uses incentives and acknowledgments to motivate students to make positive choices. Each PBIS school identifies three to five easy-to-remember behavioral expectations for students, which are communicated frequently and reinforced with student acknowledgments. Staff members make it a point to call attention to moments when a student demonstrates desired behaviors. This positive reinforcement is for all students and provides an excellent model for students who need extra encouragement to make appropriate choices.

PBIS is an important aspect of Phelps Luck Elementary School. Phelps Luck Elementary School staff is committed to working with students and their families to promote a safe and nurturing environment in all school settings. Look for specific information in the Falcon Flier to learn about the specifics of our PBIS Program.

PHOTOGRAPHING, VIDEO OR AUDIOTAPING IN SCHOOLS WITH SMARTPHONES

Parents have a right to expect a certain level of protection and privacy for their children while they are in the care of HCPSS. As a protective measure, parents and others who are not school employees who intend to photograph, videotape, or audiotape students in school or on school grounds during the regular instructional day using smartphones, cell phones, or other devices must have prior approval from the building administrator. This does not apply to photographing, videotaping or audiotaping during extracurricular activities, such as public concerts and athletic events.

Classrooms, lunchrooms, etc. are not open public property, and the principal has the right to control public access. Individuals who violate these guidelines will receive an initial warning.

Repeat violations may result in the issue of a no trespassing letter. To learn more, visit <https://www.hcpss.org/about-us/handbook/wellness/#photos> on the public use of student photographs.

PTA – PARENT TEACHER ASSOCIATION

The PTA is an integral part of the PLES community and works with the administration and staff to offer many activities and programs to PLES families. Many wonderful volunteers make PTA sponsored activities possible.

The PTA consists of officers, administrative representatives, standing committee chairpersons, and special committee chairpersons. The officers are nominated and elected annually in May and are available year-round to address issues.

The PTA meets monthly from September through May to conduct the business of the PTA and exchange important information. All are welcome and encouraged to attend. Meetings are normally held on the first Wednesday of each month at 7:00 PM. In addition to monthly meetings, the PTA normally holds four general meetings each year. At these general meetings, the PTA reports key information to the general membership and presents issues on which the general membership may vote. For example, the general membership votes on the budget at the September general meeting and votes on the officer nominations at the May general meeting.

PUPIL PERSONNEL WORKERS (PPWs)

Pupil Personnel Services works with school staffs, students, parents, and community members in the identification and prevention of problems that adversely impact educational successes.

Pupil Personnel Workers (PPWs) recognize that behaviors such as absenteeism, disruption, and disrespect prevent students from achieving at their maximum academic potential. PPWs also serve to ensure equity and consistent implementation of student related laws, regulations, school policies, and procedures resulting in a safe, nurturing and academically stimulating environment. PPWs ensure that these policies, structures and resources support the school system's mission, beliefs, and goals.

Q

QUESTIONS

If you have any questions, please contact any staff member, Ms. McGraw or Ms. Stairs, Assistant Principals, or Mr. Cosentino, Principal.

R

RECESS

Recess is 30 minutes daily. Recess is an opportunity for students to get physical activity, socialize, and revive their academic focus for the remainder of the day. Generally, it is assumed that students will be outside for recess when the temperature combined with the wind chill is not less than 20 degrees Fahrenheit, or the heat index reading is less than 95. Children with certain health conditions may need special accommodations during extremely hot or cold weather. Parents of those children should provide medical documentation and may be consulted to determine if other arrangements are necessary.

REPORT CARDS

Report cards are issued quarterly as indicated on the HCPSS calendar. Report cards are accessed through Family File.

RESOLVING SCHOOL CONCERNS AND DISAGREEMENTS

Parents are encouraged to direct their concerns to the persons most closely involved when concerns arise. However, when an informal process fails to provide a resolution, a parent may file a formal complaint and seek review at a higher administrative level. In both processes, the intent is to protect confidentiality and preserve the dignity of everyone involved.

Informal Process

The first level in resolving concerns and issues is to address them with the school staff member who is most closely and directly involved to reach a mutually effective resolution.

The second level of resolution is to contact a member of the school's administrative team. The administrator will take into consideration the needs of all parties as well as all applicable HCPSS policies and procedures.

The administrator will confirm that the parent has attempted to resolve the issue or concern with the classroom teacher or other school-based staff member, when appropriate.

If the concern requires the involvement of other Central Office departments, the administrator will assist the parent in accessing the appropriate office and provide a synopsis of the concern to that office. Central Office personnel will respond to the parent within 10 school days and inform the principal of the response.

If an assistant principal works on resolving a concern and a parent is not satisfied with the result, the parent should then contact the principal. The principal must be involved in resolving the concern prior to moving to the formal process.

S

SCHOOL IMPROVEMENT TEAM

Each school has a School Improvement Team made up of school staff, parents and other community members, which oversees the process of improving instruction and academic performance in that school. Ask us about participating on the PLES team.

SECTION 504

Howard County Public Schools (HCPSS) recognizes and supports all students' right to access education opportunities. Our student population is strengthened by our commitment to embrace all learners, including those with disabilities. Section 504 of the Rehabilitation Act of 1973 guarantees that students with disabilities have the ability to access a free appropriate public education and are protected against discrimination.

Students who meet the Section 504 eligibility guidelines will have a Section 504 Plan developed for use in school. The plan specifies the nature of the impairment, the major life activity affected by the impairment, accommodations necessary to provide access based on the student's needs, and the person(s) responsible for implementing the accommodations.

Any student who may need a Section 504 accommodation plan should be referred to their school's Section 504 Team to determine the need for evaluation. Those students whose evaluation results meet the federal guidelines regarding Section 504 are eligible for a Section 504 accommodation plan. Questions or concerns may be directed to: jennifer_stairs@hcpss.org.

SOCIAL MEDIA

We have an active presence on the Social Media platforms Facebook and Twitter. The purpose of these platforms is to help give parents a window into the world of what's going on in our school on a daily basis. Additionally, we will send tweets and Facebook posts out to the community informing parents/guardians of updates on our website, important information and reminders, and just fun things going on in our school. Follow us on Twitter at twitter.com/hcpss_ples and on Facebook at facebook.com/phelpsluckelementary.

SYNERGY

Synergy is the Student Information System (SIS). Student registration, records, report cards, and schedules are all managed through Synergy. To access information in Synergy, go to HCPSS Connect <https://www.hcpss.org/connect/>.

T

TITLE I

Title I is a federally funded program that is part of the Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (ESSA) of 2015. Title I is designed to close achievement gaps and ensure all children have an opportunity to access a high-quality education by providing funding for supplemental academic services and supports.

The amount of Title I funding that HCPSS receives is based primarily on countywide census data. HCPSS then allocates the funds to designated Title I schools, chosen based on grade span (HCPSS only designates elementary schools as Title I) and the percentage of students receiving Free and Reduced Price Meals (FARMs).

Currently, all Title I schools in Howard County operate as Schoolwide programs, so that the overall education of all children who attend the school can be improved.

TRANSPORTATION CHANGES

If your child's transportation to and/or from school is changing, please let the office and your child's teacher know in writing. Changes needed after the start of the school day should be communicated with the front office at 410-313-6886.

U

UNDERSTAND

It is OUR goal to understand how your child learns. We approach each conversation and interaction with this intent. Your partnership is essential in us meeting this goal.

V

VISITING PLES

We welcome visitors to our school. American Education Week, held in November, offers an excellent opportunity for school visits. At other times, visitors are asked to follow the procedures below in order to limit interruptions to instruction and maximize safety for all.

Per HCEA Negotiated Master Agreement, Article 10, Section I, visitors must have administrator approval after coordinating a date and time with the teacher.

All visitors must complete an online training. See "Volunteering at PLES" section below.

Sign in at the front office and receive a visitor badge. Visitors are required to provide a photo ID.

VOLUNTEERING AT PLES

According to HCPSS Board Policy, all parent volunteers, including field trip chaperones, must complete a Confidentiality Training Course about protecting the privacy of our students, staff, and schools. Please complete this course before registering to volunteer at your child's school.

The course takes about 5 minutes to complete. To take the training course, click on the following link. <https://www.hcpss.org/parents/volunteer-information/>

Watch D.O.G.S.

WATCH D.O.G.S.® (Dads Of Great Students) is a family and community engagement educational initiative. It is a coordinated program between school administration and the PLES PTA.

There are two primary goals of the WATCH D.O.G.S. program:

- To provide positive male role models for the students, demonstrating by their presence that education is important.
- To provide extra sets of eyes and ears to enhance school security and reduce bullying.

We believe that all of us want the same things for our kids and these values unite us. This program serves to bring communities closer together based on these values-based goals. Ultimately, our purpose is to change the country for the better by doing our small part to provide support to our educators and encouragement to our children.

Look for opportunities to sign up to be a Watch D.O.G.S. volunteer!

WEATHER

Weather-related closing information is automatically emailed to you from the Central Office and posted on the HCPSS.org website. If you would like to receive text alerts, please text "YES" to 67587.

WELLNESS CENTER

School-based clinics are located in 11 elementary, middle, and high schools in the Howard County Public School System, including Phelps Luck Elementary School. They are made possible through a partnership between the Howard County Health Department and Howard

County Public School System. The goal of the program is to keep kids in school, healthy and ready to learn.

School-Based Wellness Centers - In-person Visit

- Sick care
- Treatment of injuries
- Health education, physicals, and immunizations for children without a health care provider
- Management of chronic health problems such as asthma and obesity with you and your child's regular health provider.
- School-Based Wellness Centers - Telemedicine Visit
- Sick care for problems involving the lungs, eyes, ears, nose, mouth, throat and exposed skin.
- Sprains and strains.

Parents are always welcome to join the visits from their phones, computers, or in person at the health suite.

Telemedicine visits are at NO CHARGE regardless of insurance status.*

If your child has health insurance and the insurer only pays part of the bill, you will NOT be responsible for any unpaid balance.

(If you are a patient of Klebanow & Associates or Columbia Medical Practice and use the Program's virtual platform, these visits are billed the same as office visits.)*

X

EXIT

Please enter and exit through the office and be sure to scan your visitor badge. We need to know who is in the building at all times to account for everyone in an emergency.

Y

YOU

You are a very important factor in your child's success! Please partner with us and remember to join the PTA.

Z

ZZZ

Make sure your child gets plenty of sleep for school. Elementary-aged children operate best with 10 hours of sleep.
